DIRECTIONS FOR CLAIMING CME CREDITS: Use the following worksheets to track your attendance and viewing time (CME hours), evaluations, and comments for each presentation/session you attend/view during or after the AAPath 2026 conference days. After the AAPath Annual Meeting and through October 31, 2026, login to the online CME evaluation form linked at: www.academicpathology.org/AAPath2026-CME and use these tracker notes to fill out the online form, which must be submitted all at once (in one sitting) starting on July 22nd. Note that if you claim credit for only the live sessions ahead of the launch of the on-demand recordings of most ballroom sessions that will be available soon after the conference week, you will NOT receive credit related to the recorded sessions.
