- [Society of '67 – Donate today!](#)
- [Virtual Events – Upcoming and Past](#)

## AAPath 2026 CONSOLIDATED REGIONAL MEETING

***Registration is NOW OPEN, and space is limited!***

The Association for Academic Pathology is pleased to invite Department Chairs and Administrators to attend the **AAPath 2026 Consolidated Regional Meeting of Chairs and Administrators** on **January 16-19, 2026** for a weekend of activities, networking and discussion of timely topics in the beautiful surroundings of The Ritz-Carlton, Amelia Island, Florida. [Registration is open and space is limited.](#) The hotel reservation link for the negotiated hotel rate in the AAPath group block starting at \$369 per night will be provided in the meeting registration confirmation message. Attendees are responsible for their hotel and travel costs.

Meeting registration includes the option to submit topics and volunteer to facilitate discussions in break-out sessions. In addition, late-breaking, high-priority topics identified by Pathology Department Chairs and Executives may be added during the meeting. The preliminary program will be [published here](#) when available. To date, themes of topics submitted and under consideration include:

- Clinical operations and efficiency/technology integration
- Compensation and financial sustainability
- Compliance with regulatory issues
- Workforce management and faculty support/development
- Training and recruitment

Join your Chair and Administrator colleagues to continue the tradition of intimate regional meetings in an exciting new format and venue! To date, represented departments from across the country include: *Allegheny Health Network, Mayo Clinic (Minnesota and Arizona), Medical College of Wisconsin, Medical University of South Carolina, NEOMED/Akron Children's Hospital, Northwestern University, Oregon Health & Science University, Penn State College of Medicine, University of California, Los Angeles, University of California, San Diego, University of Louisville, University of Miami, University of North Carolina, Chapel Hill, University of Rochester Medical Center, Virginia Commonwealth University, and more!*

Register Today!

## AAPath CHAIR COMMITTEES

### Special Call for Department Chairs to Join an AAPath Committee!

Chairs (and Vice Chairs, at the request of their Chairs) are invited to actively engage with the AAPath by joining one of its committees and contributing thought leadership and expertise in their discussions, as well as in developing projects and shaping the relevant annual meeting sessions. The three committees highlighted below are actively recruiting up to five new Chair members. Submit your request to the AAPath office at [info@academicpathology.org](mailto:info@academicpathology.org) to be added to the committee's listserv and monthly call appointment:

- **Graduate Medical Education (GME) Committee**, 3<sup>rd</sup> Fridays of the month at 10:00am-11:00am (ET), chaired by Jennifer Laudadio, MD (University of Arkansas for Medical Sciences) with Vice Chair Erik Ranheim, MD (University of Wisconsin, Madison).
- **Leadership Development & Diversity (LD&D) Committee**, 3<sup>rd</sup> Thursdays of the month at 2:30pm-3:30pm (ET), chaired by Aryn Rojiani, MD, PhD (Penn State Health) with Vice Chair Jenny Libien MD, PhD (SUNY Downstate Health Sciences University)
- **Research Committee**, 2<sup>nd</sup> Tuesdays of every other month starting in October at 3:00pm-4:00pm (ET), chaired by Daniel Brat, MD, PhD (Northwestern University)

## SECTION COUNCIL LEADERSHIP

### 2026-2027 AAPath Section Councils and the Senior Fellows Group Seek Nominees to Lead

Member Section activities are driven by volunteer leaders, who work hard throughout the year to advocate for members and plan professional development opportunities such as the Annual Meeting programming. Click the links below to learn more about each Member Section's Council. Section Councils will soon launch the nominations process this fall for leadership governance for the 2026-2027 academic year.

- [AAPath Council](#)
- [SFG Executive Committee](#)

- [PRODS Council](#)
- [UMEDS Council](#)
- [APEX Council](#)
- [GMEAS Council](#)

## ADVOCACY UPDATES

### Advocacy Updates

*From the desk of AAPath's Deputy Director, [Lydia P. Howell, MD](#)*

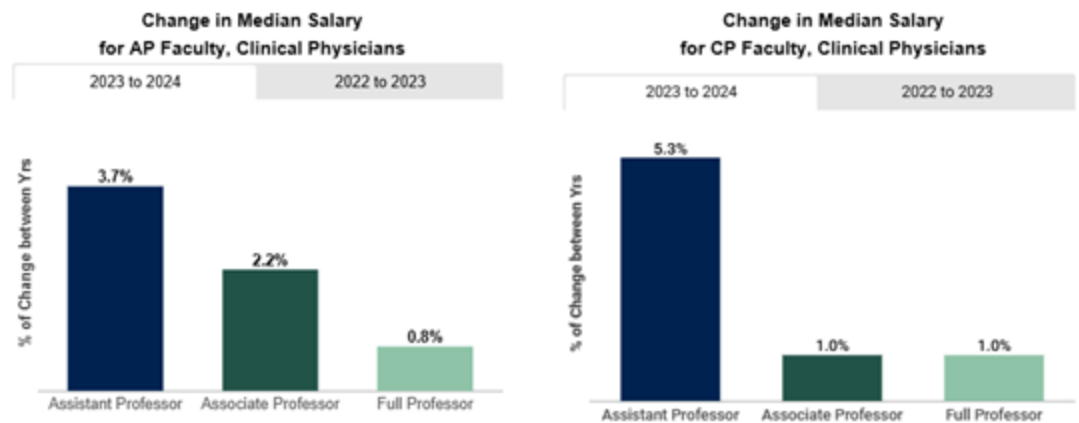

The summer Congressional recess has ended and vacation season is over -- opportunities for advocacy have therefore been ramping up. Here is what has been happening in September:

- **Supporting the FAIR model for indirect costs:** AAPath joined 164 organizations who signed a letter to Senate and House appropriators expressing support for the new and more transparent model for Facilities and Administrative expenses (aka "indirects") developed by the [Joint Association's Group \(JAG\) on Indirect Costs](#). For additional background information and resources on JAG and the FAIR model can be found at: <https://linktr.ee/JAGTownHall>.
- **Supporting physician-scientists:** A workshop organized by the National Academy of Medicine (NAM) and the American Junior Investigator Association (AJIA), "[Sustaining the Biomedical Workforce: Innovative Pathways for Retaining and Supporting Physician-Scientists](#)," was held in Washington DC on September 9, 2025 to brainstorm easily implementable solutions that would address the leaky pipeline of early career physician-scientists. AAPath was an invited participant and represented by Deputy Director Lydia Howell, MD. Many ideas were shared during the breakout sessions and are currently being refined. [The recording of the workshop is now available](#). We will share next steps, as well as the planned published proceedings, as these are formalized.
- **AAMC's new state-level advocacy function:** The current Administration has a strong focus on decentralization with more decisions related to policy and programs happening on the state level. AAMC has therefore begun a new state advocacy function which will focus on four core issues: Medicaid, Graduate Medical Education and Workforce, Higher Education, Medicaid, and 340B Drug Pricing Program. They plan to convene working groups to strengthen collaboration across institutions, share insights, and provide resources that prepare members to respond to incoming state policies, particularly those that may later emerge at the federal level or cut across several states. As this new program unfolds, we will be passing along updates in these areas so that you (and your institutional AAMC Governmental Relations Representatives) can be more effective in your own state advocacy.

As always, we appreciate your engagement and support regarding these important issues that affect our departments and the patients and learners that we serve.

## AAPath 2025 COMPENSATION SURVEY

### 2025 AAPath Compensation Benchmarking Studies to Launch in November

Chairs, Vice Chairs and APEX members are invited to join a webinar developed by AAPath's Practice & Management Committee and APEX Council about how to submit academic pathology compensation data and how to leverage this specialty data in conversations with hospital and medical center executives, even when your institution uses other national benchmarks, like MGMA and AAMC.

### Webinar: AAPath Compensation Survey – How does it help me? Insights and Leverage

**Save the Date:** Friday, October 24<sup>th</sup> at 12:30pm-1:30pm ET (11:30am CT/10:30am MT/9:30am PT)  
The Zoom registration link will be sent to the Chairs and APEX members only.

As a reminder, the study platform is designed to confidentially collect data from participating departments and transform into a member-interrogated reporting system when the data collection period is closed. For participating departments that complete the required questions (to be eligible to access data), the anonymized and aggregated results are sortable by a variety of self-selected metrics.

Now, with two academic years of data collection (since 2022), AAPath believes these studies address a critical need for members to have useful comparative regional and national data to assist in recruitment, retention, and discussions with institutional leadership. The strength of the data is only as good as the participation level, so in response to departmental feedback, **we are opening the 2025 data collection period earlier and leaving it open longer (from November 2025 through April 2026)**. Chairs and APEX members with data entry privileges will receive an email alert with instructions from Dynamic Benchmarking, or you may go directly to [start data entry here](#), in early November. To make participation in the 2025 study easier, no new questions will be added and, if you participated previously, data may be quickly copied from a prior year.

For a preview of select comparative data year over year for the faculty and admin studies, visit these infograms:

- Faculty Study: <https://infogram.com/aapath-faculty-1hxj48m1xym052v>
- Admin Study: <https://infogram.com/aapath-admin-1h9j6q7x31kw54g>

**Remember: Participating departments may [log-in now](#) to access up to 3 years of data and customize reports to your precise needs.** Questions? Contact [info@academicpathology.org](mailto:info@academicpathology.org).

## MEMBERSHIP DUES

**AAPath Membership Renewals**  
*Renew by December 31, 2025!*

**The 2026 AAPath membership renewal season is now underway!** Designated department representatives and Special Members were emailed instructions on September 2<sup>nd</sup> on how to process their membership renewals for 2026. Please review the dues invoice and ensure department membership rosters are up to date. Note that those faculty and staff who are not currently members of an AAPath Section or Affinity Group are part of the new General Membership category. This membership is renewable annually on the anniversary of membership. Direct any inquiries to [info@academicpathology.org](mailto:info@academicpathology.org).

We thank you for being valued members of the AAPath! For those on the AAPath Departmental roster, your one departmental dues rate provides access to education, training, information resources, and networking opportunities for **Chairs and Vice Chairs**, department executives (through **APEX**), residency program directors and associate program directors (through **PRODS**), GME program coordinators and administrators (through **GMEAS**), and directors of medical student curricula or programs (through **UMEDS**), and other professionals in our academic affinity groups. Keeping your membership roster current is vital for your department to maximize the value of AAPath membership. If you need to update your membership roster (at any time of the year), please review the instructions and FAQs on the AAPath website at: [www.academicpathology.org/membership-updates](http://www.academicpathology.org/membership-updates).

For faculty and staff who do not serve in the traditional AAPath Section leadership roles but are interested in advancing the missions of academic pathology and developing their leadership connections and opportunities through engagement with the AAPath community, the new **General Membership** category allows benefits that include the opportunity to receive AAPath announcements, attend members-only virtual events, access members-only resources, secure annual meeting membership pricing, and network with academic colleagues and leaders.

We hope you enjoy the community and other benefits of AAPath membership, as we strive to better serve and represent you each year! Updates on all of AAPath's activities are provided in our

## [here](#) **NOMINATIONS FOR AAPath 2026 MEMBER AWARDS**

### **Call for 2026 AAPath Member Award Nominations**

The nomination period for [AAPath's 2026 Service Awards](#) is NOW OPEN through **December 31, 2025**. Don't wait! Nominate a colleague today by visiting [www.academicpathology.org/awards](http://www.academicpathology.org/awards). AAPath is pleased to annually honor leaders in academic pathology—past and present—with the following awards:

- [Association for Academic Pathology Distinguished Service Award](#)
- [Margaret Grimes Distinguished Achievement Award in Graduate Medical Education](#)
- [Michele Raible Distinguished Achievement Award in Undergraduate Medical Education](#)
- [Academic Pathology Executives Section Distinguished Service Award](#)
- [Graduate Medical Education Administrators Section Distinguished Service Award](#)

Click on the award links above to see each award's criteria, process, and prior recipients, and online form to submit a nomination package. Email [awards@academicpathology.org](mailto:awards@academicpathology.org) to let us know you are interested in nominating a dedicated Chair, Program Director, Medical Educator, Department Administrator, or Program Coordinator. We will answer your questions and send helpful reminders about the status of their nomination package to ensure completion by December 31<sup>st</sup>. Recipients will be honored and recognized at the AAPath 2026 Annual Meeting, July 19-22, 2026, in Boston, MA!

## AAPath Member Recognition

AAPath seeks to highlight major member accomplishments in this Member Recognition section of the e-News, where we spotlight special announcements, such as advancement to national leadership positions, inductions into national academies, national and international awards, national press coverage, Chair retirements, new Chair appointments, and more! If you have an announcement that you would like to share, please contact the AAPath Office at [info@academicpathology.org](mailto:info@academicpathology.org) to let us know!

### **University of California, San Francisco School of Medicine (Laboratory Medicine)**

Arun Wiita, MD, PhD, was appointed as Interim Chair, effective July 1, 2025, following Clifford A. Lowell, MD, PhD, who has stepped down.

**Arun Wiita, MD, PhD**

**Clifford A. Lowell, MD, PhD**

---

### **University of Texas Health Science Center San Antonio**

Russell Aaron Higgins, MD, was appointed as Chair, effective September 1, 2025, following Marsha C. Kinney, MD, who has retired.

**Russell Aaron Higgins, MD**

**Marsha C. Kinney, MD**

## Tufts University School of Medicine

Malak S. AlThgafi, MBBS-MD, MBA, was appointed as Chair, effective September 1, 2025, following J. Ryan Peña, MD, PhD who served as the Interim Chair. See the announcement from Tufts Medicine, [linked here](#).

**Malak S. AlThgafi, MBBS-MD, MBA**

**J. Ryan Peña, MD, PhD**

---

### SFG Member Roger A. Mitchell, Jr., MD (Howard University)

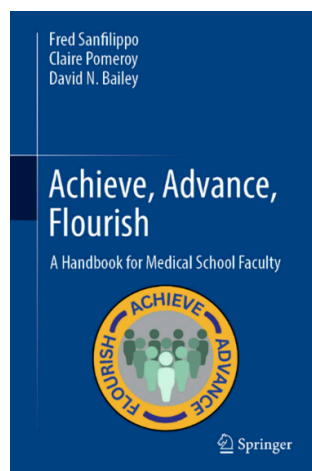

Congratulations to Senior Fellow Roger A. Mitchell, Jr., MD (Howard University) installed as the 126<sup>th</sup> President of the National Medical Association! To read the full announcement, [click here](#).

**Roger A. Mitchell, Jr., MD**

## PUBLICATIONS

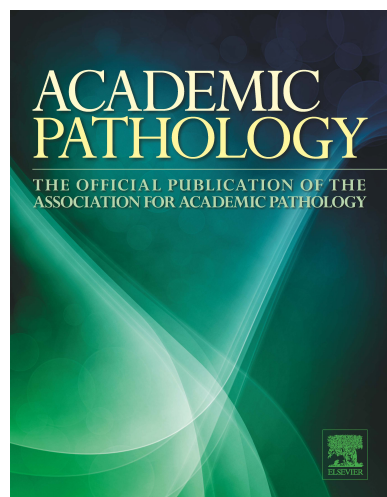

### SFG Members Publish Second Handbook

Congratulations to AAPath Senior Fellow Members, Fred Sanfilippo and David N. Bailey, with Claire Pomeroy, on a new handbook for medical school faculty published by Springer, [\*Achieve, Advance, Flourish: A Handbook for Medical School Faculty\*](#). In 2023, the authors published, [\*Lead, Inspire, Thrive: A Handbook for Medical School Department Chairs \(And Other Leaders\)\*](#).

## What's New in *Academic Pathology*

*Academic Pathology* is AAPath's **fully open-access, PubMed-indexed, peer-reviewed journal** and part of the world-class collection of journals and pathology resources published by Elsevier, with visibility to a global audience of academic leaders through Science Direct and Clinical Key. ***Academic Pathology's* 2024 impact factor increased to 1.3 (from 1.2 in 2023 and 1.0 in 2022) and the journal is now ranked 61 of 90 journals in the Pathology category – one more reason to [submit your manuscript](#) to AAPath's official journal!**

### Recently Published Articles in *Academic Pathology*

- **Barriers to achieving graduated responsibility: preparing pathology residents for independent practice**, B. Bryant, et al. Special Article First Published September 22, 2025: <https://doi.org/10.1016/j.acpath.2025.100221>
- **Perceived readiness for practice of current and former anatomic pathology residents in Tanzania**, A. Kimambo, et al. Regular Article First Published September 1, 2025: <https://doi.org/10.1016/j.acpath.2025.100217>

## UPCOMING DEADLINES

### Claim Your CME Credits from AAPath 2025

**Deadline: October 31, 2025**

By attending the programmed sessions and viewing the recordings of the concurrent sessions after the AAPath 2025 Annual Meeting, registrants can amplify your CME learning and claim a maximum of 48.75 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Track your learning using the [CME Tracker](#) and then submit your responses through the online form ([available here](#)) **no later than October 31, 2025**. Certificates will be emailed by the AAPath Office within 4-6 weeks of submitting your claims. For additional CME information and disclosures, please visit the AAPath website at: [www.academicpathology.org/AAPath2025-CME](http://www.academicpathology.org/AAPath2025-CME)

## Call for Membership to the Academy of Distinguished Pathology Educators

**Deadline: October 31, 2025**

AAPath's Academy of Distinguished Pathology Educators (the "Academy") is pleased to open a Call for Members through an application period that ends on October 31, 2025.

Established in 2023, the Academy recognizes and assembles the most accomplished pathology educators who work closely and collaboratively with AAPath's UME and GME Committees and with the PRODS and UMEDS Sections to:

- Support and advance excellence in pathology pedagogy
- Support scholarship and innovation in pathology education and training
- Grow educational leaders from pathology who will serve within their home institutions as well as within national organizations

The Academy is more than just an honorific society. Elected members will be active contributors to AAPath's educational mission and will advance, support and extend the activities of the AAPath educational mission areas. A list of founding members, work products, and accomplishments are posted on the Academy's webpage, as well as the criteria for membership and details on the application and selection process and timeline. For more information, visit:

[www.academicpathology.org/academy-of-distinguished-educators](http://www.academicpathology.org/academy-of-distinguished-educators)

---

## AAPath 2026 Quality Improvement and Patient Safety (QIPS)

### Scholarship Forum Call for Abstracts

**Deadline: Monday, December 1, 2025**

PRODS will again host the AAPath QIPS Scholarship Forum in the coming academic year. The Forum was established in 2024 to further residents' and fellows' participation and success in scholarship, while raising awareness among programs to the many ways that quality improvement and patient safety (QIPS) values are being learned and applied. The Forum furthers the goals of ACGME's PDPQ program, in which several pathology residency programs participated in 2023 and 2024.

Abstracts should be written with the intent of improving patient safety and/or quality in the clinical environment, and may be based on residents' QI projects. The Abstract Review Committee will review submissions and select abstracts via the criteria listed on the [QIPS Scholarship Forum webpage](#). Please encourage residents or fellows to [submit their abstracts no later than Monday, December 1<sup>st</sup>](#), to enable the continued development of this valuable resource and scholarship opportunity!

For reference, abstracts for the 2025 QIPS Scholarship Forum were published as a [supplement to Academic Pathology's Volume 12, Issue 2](#). Congratulations to those authors who achieved this milestone in scholarship and thank you for modeling the value of QIPS learning to other training programs!

---

## AAPath 2026 Annual Meeting Call for Abstracts

**Deadline: Monday, December 1, 2025**

On behalf of the Undergraduate Medical Educators Section (UMEDS) and the Pathology Residency Program Directors Section (PRODS), the AAPath invites members, faculty, staff, trainees, and other stakeholders to submit abstracts for poster presentations during the AAPath 2026 Annual Meeting at the Hilton Boston Park Plaza in Boston, Massachusetts, July 19-22, 2026. Abstracts should describe innovations anywhere in the continuum of education, i.e., from undergraduate medical education (UME) to graduate medical education (GME), or educational leadership and faculty/career development in an academic environment. For more information, please visit the AAPath 2026 Annual Meeting landing page at: [www.academicpathology.org/aapath2026](http://www.academicpathology.org/aapath2026) or directly visit the online submission form: <https://www.surveymonkey.com/r/AAPath2026Abstracts>.

---

**Society of '67 Kinney Scholar and APEX Fellow Program**  
**Earlier Application Period Opens on October 29 and Closes on December 31, 2025!**  
[www.academicpathology.org/m-s67-programs](http://www.academicpathology.org/m-s67-programs)

The [Kinney Scholars Program](#) provides an opportunity for **medical students and pathology residents** to familiarize themselves with career opportunities in pathology and the critical role of pathology in healthcare delivery, research, and education through access to national leaders in academic pathology attending the AAPath Annual Meeting.

Similarly, the [Academic Pathology Executives Section \(APEX\) Fellowship Program](#) provides an opportunity for emerging pathology executives ([APEX Affiliate Members](#)) to attend the APEX Program at the AAPath Annual Meeting with funding that covers the APEX meeting registration fee.

---

**AAPath Pathology Leadership Fellows (APLF) Program**  
**Application period opens on December 15, 2025, and closes on February 9, 2026!**  
[www.academicpathology.org/aplf](http://www.academicpathology.org/aplf)

We are excited to announce the application period for the 2026-27 Class of APLF Fellows will open on December 15, 2025, and close on February 9, 2026! The [APLF Program](#) cultivates leadership potential and opportunities by providing experiences and education that accelerate understanding and competency in the skills required for academic administration. The APLF Program is suitable for mid-to-senior level faculty (assistant, preferably associate, professor level faculty) pursuing vice chair, director, chief or chair roles. No more than two participants will be selected from any one AAPath member department in good standing (current dues paid).

## SOCIETY OF '67

# Society of '67

### Fall Fundraising for 2026 Programs

Programs of the Society of '67 are made possible by the generosity of donors. Your generous donations this calendar year directly support the Society of '67 programs next year, so consider **DONATING** before the end of 2025 to cultivate and inspire the future leadership of academic pathology! Learn more about the Society of '67, named for AAPath's founding year in 1967, by visiting: [www.academicpathology.org/societyof67](http://www.academicpathology.org/societyof67). **[DONATE TODAY](#)** and make a difference for the future of academic pathology!

**Want to have a more direct impact on the recipients of the Society of '67 awards?** Consider serving on the Society of '67 Board! Donors who have contributed at least \$500 for membership to the Society of '67, since last November through October 31, 2025, are eligible to be nominated/self-nominated to serve on the Society of '67 Board in 2026 (12 of 15 Board seats are currently filled). To self-nominate or nominate an eligible candidate, please email Mel Limson ([mlimson@academicpathology.org](mailto:mlimson@academicpathology.org)) the candidate's (a) full name, affiliation, email address, and (b) a statement of interest to serve on the Society of '67 Board **no later than October 31, 2025**.

### Sponsoring opportunities:

- **New in 2025!** Donate at least \$5,000 to be a named sponsor for the **2026 Trainee Project Grants in Health Services Research or Education!** See program information at: [www.academicpathology.org/m-s67-grants](http://www.academicpathology.org/m-s67-grants)
- Donate at least \$2,500 to be a named sponsor of a medical student or pathology resident in the **Kinney Scholars Program** to attend the AAPath 2026 Annual Meeting and experience academic pathology leadership. While a \$2,500 donation provides a named sponsorship, contributions starting at \$500 qualify donors for membership to the Society of '67. [Donate today](#) to cultivate and inspire the future leadership of academic pathology!

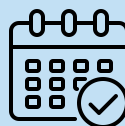

### Other Programs:

- **The Academic Pathology Executive Section (APEX) Fellowship Program** provides an opportunity for developing the careers of emerging and new pathology administrators (Affiliate APEX Members) to network with the community of administrators at the AAPath Annual Meeting and beyond.
- **Open Access Publication Awards** cover the article processing fee for a research article or educational case published in AAPath's journal, *Academic Pathology*, by a student or trainee. Eligible authors can apply throughout the year.

Donate Today!

## VIRTUAL EVENTS

### Upcoming Events

**Thursday, October 16<sup>th</sup>**

1:00pm–2:00pm ET (12:00pm CT/11:00am MT/10:00am PT)

**AAPath Hot Topics Webinar Series: Digital Pathology**

*Perspectives from Mount Sinai, presented by Dr. Carlos Cordon-Cardo, MD, PhD*

Register at the AAPath Upcoming Virtual Events Webpage!

**Friday, October 24<sup>th</sup>**

12:30pm-1:30pm ET (11:30am CT/10:30am MT/9:30am PT)

### **AAPath Compensation Survey – How does it help me? Insights and Leverage**

*A Zoom registration link will be sent to Chairs and APEX members.*

Register at the AAPath Upcoming Virtual Events Webpage!

## **Past Virtual Events**

In case you missed any of the latest virtual events, see the recordings of this past month's AAPath Virtual Events for members only at: [www.academicpathology.org/past-virtual-events](http://www.academicpathology.org/past-virtual-events), including:

### **AAPath Hot Topics Webinar Series: Precision Pathology: The Transformative Power of Digital Pathology and Artificial Intelligence**

Held on Friday, September 19<sup>th</sup> from 1:00–2:00pm ET, this event featured perspectives from The Ohio State University and was presented by Dr. Anil Parwani, MD, PhD, MBA. The presentation highlighted how digital pathology and artificial intelligence are transforming diagnostic pathology today and explored the potential impact of these technologies in the future.

### **SurgPath Fellowship Recruitment Town Hall**

Held on Tuesday, September 9<sup>th</sup> from 2:00–3:00pm ET, this event was convened to inform fellowship directors and coordinators about the current recruitment landscape and next steps for surgical pathology and related subspecialties. The Town Hall addressed experiences from recent match cycles, society-level support statements, and included breakout group discussions.

### **AAPath 2025 Recordings**

AAPath was also pleased to host its 58<sup>th</sup> Annual Meeting in Denver, CO, July 27–30, 2025! Recordings from the event are NOW AVAILABLE on the AAPath website for registrants only (login required). Claim CME for this event by October 31, 2025. Receive on-demand access to Meeting Session recordings and CME by registering today!
