

MATRIX OF FUNDING SOURCES (work in progress) – Pathology Roundtable Member Organizations

Presented below is a one-stop “shopping” matrix of funding opportunities for pipeline targets provided and verified by the organizational members of the Pathology Roundtable. The compilation is organized in a variety of categories (columns) with the target audiences noted in color fonts. Hyperlinks are embedded in the program titles. This list is not comprehensive and will likely grow in the future. For pathology organizations requesting updates, please email: info@apcprods.org. Last updated: 10/9/19.

Target Audiences: C=College Students; M=Medical Students; G=Graduate Students; S=Other Students/Technologists; R=Residents; F=Fellows; P=Postdoc (PhD) Fellows; E=Early Faculty
