

David N. Bailey, MD

AAPath Senior Fellow Since 2015

Email: dnbailey@health.ucsd.edu

EDUCATION

Undergraduate Degree: B.S. in Chemistry "with high distinction"; Indiana University (1967).

Graduate/Professional Degree: M.D., Yale University (1973). **Postgraduate Education:** Fellowship, Department of Laboratory Medicine, Yale University (1973-75); Residency in Clinical Pathology, Yale-New Haven Hospital (1975-77; Chief Resident and President, Housestaff Council, 1976-77). **Board Certification:** Clinical Pathology with Added Qualification in Chemical Pathology (American Board of Pathology) (1977 - not time-limited).

SERVICE

Service as Pathology Chair: Department of Pathology, University of California San Diego (Interim Chair, 1986-88; Chair 1988-99 and 2000-01). **Leadership Roles Before, During, and After Service as Chair:** President, California Association of Toxicologists (1981-82); President, Academy of Clinical Laboratory Physicians and Scientists (1988-89); Secretary-Treasurer, Association for Academic Pathology (1996-99); Secretary (2017-21) and Chair (2021-25), Association for Academic Pathology Senior Fellows Group; Board of Directors: Veteran's Affairs Medical Education and Research Foundation (VA San Diego Healthcare System) (1994-99), George G. Glenner Alzheimer's Family Centers (San Diego) (1995-2007), Doris A. Howell Foundation for Women's Health Research (2000-04), Rady Children's Hospital of San Diego (2006-07), Children's Healthcare of California (2009), Children's Hospital of Orange County (2009), UC San Diego Student-Run Free Clinic (2012-present), Association for Academic Pathology Society of '67 (2020-present); Editorial Boards: Journal of Analytical Toxicology (1979-2009), Clinical Chemistry (1983-93), American Journal of Clinical Pathology (1991-2019), Academic Pathology (Senior Advisor) (2019-present).

Other Academic Positions After Service as Chair: Interim Vice Chancellor for Health Sciences and Dean, School of Medicine, UC San Diego (1999-2000 and 2006-07); Deputy Vice Chancellor for Health Sciences and Dean for Faculty and Student Matters, UC San Diego (2001-06); Vice Chancellor for Health Affairs and Dean, School of Medicine, UC Irvine (2007-09); Deputy Dean, Skaggs School of Pharmacy and Pharmaceutical Sciences, UC San Diego (2010-present); Vice Chair for Education and Academic Affairs, Department of Pathology, UC San Diego (2010-present); Distinguished Professor of Pathology and Pharmacy Emeritus, UC San Diego (2010-present).

AREAS OF PROFESSIONAL INTEREST

Research: Clinical Research: Development of analytical methodology for therapeutic drugs and drugs of abuse; interpretation of plasma drug concentrations in overdose. Basic Research: Studies of drug absorption (including percutaneous), metabolism, and clearance. **Clinical:** Clinical Chemistry, Clinical Toxicology, Clinical Laboratory Management. **Educational:** Undergraduate medical education: course director for elective course in clinical chemistry for second-year medical students. Postgraduate medical

education: teaching clinical chemistry to pathology residents and clinical chemistry fellows. Continuing medical education: course director for Association of Pathology Chairs annual meetings. **Mentoring:** Medical students: careers in pathology. Pathology and pharmacy faculty: career and academic advancement. Pathology chair mentoring as well as mentoring faculty who aspire to be pathology chairs. Mentoring chairs who wish to become deans. **Current Interests:** See above.

ACHIEVEMENTS

Honors and Awards: Gerald T. Evans Award, Academy of Clinical Laboratory Physicians and Scientists (1993); Named One of the Top Ten Most Cited Authors in Forensic Sciences for 1981-93 (Science Watch, 1995); University of California Presidential Commendation for Distinguished Service (2007); Edward Dickson Professorship Award, UC San Diego Emeriti Association (2017); Conference Rooms Named in My Honor: "David N. Bailey Family Services Conference Room" in the Corporate Office of the George G. Glenner Alzheimer's Family Centers (2007), "David N. Bailey Conference Room" in the UC San Diego Office of the Vice Chancellor for Health Sciences (2008); "David N. Bailey Distinguished Lecture," UC San Diego (2008). **Professional Achievements of Which You are Most Proud:** Leading the University of California San Diego team in the formal affiliation of UC San Diego with Rady Children's Hospital of San Diego (2001); Leading the University of California Irvine team in the formal affiliation of UC Irvine with Children's Hospital of Orange County (2009); Opening the Douglas Hospital of UC Irvine Health (2009); Mentoring faculty who went on to become deans and department chairs; Establishing and teaching a successful course in clinical chemistry for medical students for more than 40 years culminating in publication of a "toolkit" for teaching the course.

OUTSIDE INTERESTS

Hobbies: Playing and recording classical music on my 1917 Steinway grand piano; Creating oriental petite point needlepoint tapestries; Reading non-fiction (especially history); Training and playing with my dachshunds. **Volunteer Activities:** See above.
